

GARDEN WASTE COLLECTION

North Northamptonshire Council is introducing new arrangements for **GARDEN WASTE COLLECTION** at the beginning of April.

From April the council is 'offering' a new, optional, 12-month garden waste collection service. The annual subscription charge for the fortnightly service, with collections starting on 3 April, is £40 per bin.

There are alternative options for those not wanting or needing a bin.

Residents who want to use this service need to pay an annual subscription of £40 by debit card or credit card. Residents need to sign up online ready for collections starting in April. Residents who sign up will receive registration and renewable date stickers for their bins.

Subscriptions will last 12 months from the point of purchase. (If you sign up before April, it will run from April this year to April next year.)

If you need a bin, the council says will be delivered in March.

For further details go to the council website www.northnorthants.gov.uk. Then type 'garden waste' in the search box. Follow the instructions for signing up.
