

Weston by Welland Environment group

Presents.... **Treemendous walk!**

Saturday 9th **October 2021** at **10.30am**

Led by expert and tree warden **Graham Garratt**.

Discover some facts and history of our local trees with some fun activities for children.

Meet by the Cherry tree in the Wheel and Compass car park.

Followed by optional lunch at the Wheel and Compass.

All welcome.

Weston By Welland – your Vehicle Activated Speed Sign is here!

On the 8th September we finally took delivery of our new Vehicle Activated Speed Sign (VAS)! This will be rotated around the village to differing locations to notify drivers of their speed and to remind them to slow down. These devices have been particularly successful in reducing the number of speeding vehicles. We are currently looking for volunteers to help us maintain the equipment (charging & replacing batteries) as well as assist in moving it around to maximise the benefits. If you are interested, then please contact Cllr. Simon Grandidge at: councillorgrandidge@gmail.com

Many thanks!
